Collectivists' Logical Conclusion

Europe, the Negroes are exhausted and being imposed on. The stunned people, even for Russia, are apparently unable to set up outside the Soviet laws to the Chinese so-called communist called vast collection comprising both. Everyone in the dependent on the Communist attention is paid. The organization of the party, with the view to five aim with two hours of military attacked near the place. What bothers some is not the fate of others, it is that the regeneration might to them. The Times bitter look going the law. "Thank God!" son. We are lucky to have a buffer state between us and Russia."

It is now claimed that the next month 750,000 old-style "communist" cards will have been registered and merged into 100,000 "Citizenships". Each will make a list of all those of an average of 800 families with the largest family of 20,000.

Women, children and the aged are included in this socialised system of regimented discipline under which eventually a change will be completely dependent without property or even a home and all private and family life will import for a time.

Communal dormitory's, mosques and nurseries will be set up and all peasants and workers will be mobilized for transfer as per demands to either agricultural production, local industrial and rehabilitation work or army service.

Along with the supply of the necessities of life, the companies pay basic wages which are classified into different grades according to intensity of work. They also pay bonuses where norms are exceeded.

[illegible]

1. The first step in the process is to identify the problem or issue that needs to be addressed. This involves gathering information and understanding the context of the problem.

Logical Conclusion

The way the Chinese Communists are carrying Communism to its logical conclusion might also give pause to those of collectivist predilections and other free nations. And indeed, all of us there is something rather disconcerting about the spectacle of China with its 650 million people constantly growing; being turned into one huge camp of armed automata. But there is also, perhaps, a certain cum of comfort for the West in the spectacle. As the European Republics realize, the Chinese Communists might not be more extreme than the Soviet Communists; since Stalin's death so much effort has been made to loosen rather than tighten the totalitarian screws in Russia. This wedge of difference could sharpen the ideological contentions already existing between Moscow and Peking and hasten the day of a possible falling-out of the two Communist colossi.

Apart from that, the kind of slavery the Red Chinese rulers are establishing is not likely to prove efficient in the long run. Even the Soviets, after they had finally numbered their people with terror, discovered that
